

Remarks

The above amendments are being made in order to replace the claims of the international publication with a new claim set having no multiple dependency. Should any multiple dependency remain, that is unintended, and the Patent and Trademark Office is requested to cancel any remaining multiple dependent claims without prejudice before calculation of the national filing fee for the United States.

Examination of the application on its merits is awaited.

December 8, 2005

Respectfully submitted,

William M. Lee, Jr.
